

INFORMATION MEETINGS

for Incoming Erasmus Students

Below are details about the Information meetings organized within the different faculties of the university. Every student has to join the meeting at his/her **Hosting Faculty***. During the meeting you will receive more information about the education process, the courses you may select/change, and meet your **Faculty Erasmus Coordinator**. If you are interested in courses offered by a faculty different than yours, you may also join their Information meeting. If some meetings overlap, you can contact the coordinator of the faculty for more information regarding the courses you are interested in (or to set up individual meeting).
